(the "Fundraise")**

URA is pleased to announce that it has raised **£240,000** (before expenses) through a placing and subscription, issuing in aggregate **10,000,000** new ordinary shares in the capital of the Company ("**New Ordinary Shares**") at an issue price of 2.4p per New Ordinary Share. The placing and subscription were limited by the maximum amount the Company can currently place within its existing disapplication of pre-emption rights authority.

The Fundraise was conducted at a 7.69% discount to the mid-market closing price on 31 August 2023 and is within the existing authority to issue shares for cash on a non pre-emptive basis.

As a further component of the Fundraise, the Company executed a warrant instrument, issuing 125,000 warrants to Peterhouse Capital Limited in accordance with their engagement letter at an exercise price of 2.4p per ordinary share for a period of three years.

The proceeds of the Fundraise will be used to purchase critical equipment and machinery required for the restart of mining operations at the Gravelotte Emerald Mine and for general working capital.

The following Directors participated in the Subscription:
